

Cardio Classes

Pedal, Power, Restore: Start your day off right with this 60 minute total body workout. 20 minutes each: cycle, strength and restore yoga to leave you feeling great!

Cycling: Cycling is a no-impact cardio workout featuring our LeMond indoor bicycles. Class is appropriate for participants of all ages, goals, and fitness levels.

Rowbics: A 60-minute, intermediate-level rowing class. Participants push aerobically and strengthen nearly all the body's muscles. **Rowbic Basics** offered on Wednesday for beginners.

Metabolic Conditioning: Total body compound movements, sprints, and short recovery intervals will push you to your limit in this 45-minute class.

Zumba: The Latin inspired, easy to follow, calorie-burning, dance fitness party. Feel the music and let loose!

HIIT It: High-impact exercises with periods of strength training and recovery burns calories and builds lean muscle at the same time.

Cycle & Strength: Ride for 30–45 minutes, then strengthen your upper and lower body for 15–20 minutes. Both cardio & strength in one.

Cycle Sculpt: Half cardio on the bike and half off the bike using weights or body resistance. You're sure to get your heart and muscles pumped!

Strength Classes

Complete Mix: Strength training and cardio movements all mixed into one class.

Strength Classes (cont..)

Weekend Warrior: Not for the faint of heart, Weekend Warrior is a 60-minute, sweat-inducing total body workout.

Muscle Madness: Total body, non-aerobic class designed to improve muscular strength and endurance using body bars, dumbbells, stability balls, resistance tubes and more!

Total Body Blast: This is a 30-minute total body workout. A mix of circuit training and HIIT class will leave you feeling great!

TRX: TRX is a type of suspension training that helps to develop strength, balance, flexibility and core stability simultaneously.

Circuit Strong: This 30-minute strength class will have you sweating as you move from one exercise to the next without rest.

Barre: A 60 minute low-impact class inspired by ballet, yoga, and Pilates- focused on high reps for smaller muscle groups to improve strength and posture. All ages and levels.

Active Aging Classes

50/60 Something: Participants workout at their own pace & fitness level. Emphasis on balance, muscular strength, flexibility and core strengthening.
